

Park Avenue Dentistry
104 E Park Avenue
Edgewater FL 32132
386-423-7770 Fax: 386-423-6638

Hi! Just a note to welcome you to our practice and to let you know we are looking forward to meeting you.

We have done thousands of injections here at Park Avenue Dentistry for both Botox and Juvederm. All treatments are done in a private and comfortable atmosphere.

Our office is open regularly Monday through Thursday from 9a.m. to 5 p.m. We Break for lunch from 1 p.m. to 2p.m. Attached is our office paperwork. Please email to drlester@cfl.rr.com or you can fill it out and bring it with you to your next appointment.

We are delighted that you have chosen us and look forward to meeting you in person.

Sincerely Dr. Stephen P. Lester & Staff

Driving Directions

Coming from Canal St East Side

Turn Left onto US 1

You will go through the first light at the bridge

Go through the second light by McDonalds

The next light you come to will be Park Ave take a left at light

We are the second building on the right hand side. (Behind 7/11)

Coming form 44

Turn Right at the light onto Mission Rd there will be a Burger King and Walgreenø on the corner

Continue down until you come to the hill, which is an old railroad crossing

Make a left at that first rd which is Park Ave continue down that road and you will come to the light which is US 1 (there is a hardware store to your right and a 7/11 across the street, toward the river) We are right behind 7/11 on the right hand side.

Coming from 442 itø about 2 miles

Continue down 442 till you come to the first stop light which is US1. There will be a Winn Dixie to your right and a CVS to the left.

Make a left at the light onto US 1.

The next light you come to will be Park Ave. Make a right at that light (7/11 will be on the corner) We are the next building behind them.

Coming from Port Orange on Ridgewood, (a.k.a., US1, Dixie Freeway)

Follow Ridgewood past the 3 bridges. Go through New Smyrna and *under* the overpass. When you get to the stop light with McDonalds at the corner of 10th St. you are almost here. We are at the next stop light called Park Avenue. On the SE corner of Park Avenue and US1 there is a 7/11. Turn left onto Park Avenue. We are right next door to the 7/11. You will see our free standing building with bright flowers and a water fountain out front.
